Two Glickman Projects Recipients of 2015 MBIA Award of Excellence

NOV

Glickman Design Build was recently honored with two more awards recognizing excellence in design and construction. Their two most recent awards were earned in the Whole House Renovation and Universal Design Categories. The awards were presented by the Remodelers Council of the Maryland Building Industry Association at an event on November 12, 2015. The team is so thrilled with this honor because it highlights the hard work and experience that they put into every single project that they do for their
